All,

Good morning. Please find attached the documents we will use during the LA CCTA Functional Exercise on 3/17. Please review and provide comment back to me by COB March 4. After March 4 we will make the requested revisions and finalize all documents.

If you request changes to documentation, please send your tracked changes in the attached documents back to me with the file renamed to include your department. If for example, LAPD makes a change to the LA CCTA MSEL Draft V.1 file, they would rename the file LA CCTA MSEL Draft V.1 LAPD before sending the file to me.

Let me know if you have any questions.

V/R,

Jim Bailey
